Summary

- I am able to create static and fullstack websites with Django or Node.js. Strong desire to learn and contribute to team success. Good at improving performance as well as refactoring code to make it the fastest and easiest to understand for other developers on the team. I am willing to learn new tools and languages. At the moment trying to get a better grasp on ruby on rails for crud -create -read -update & -delete.

Work History

2015-09
- 2021-07

Laborer Worker

Lewis Pro Painting, Shallotte NC

Worked part time- Pressure washed houses. Some painting.
